FOR IMMEDIATE RELEASE

**WENATCHEE VALLEY HUMANE SOCIETY PAWSCARS GALA
-SEPTEMBER 23-**

(Wenatchee, WA)-The Wenatchee Valley Humane Society (WVHS), www.wenatcheehumane.org, has been actively working to build a more humane society by bringing pets and people together for more than four decades. Due to overwhelming regional support, WVHS is thriving today and eager to bring back their much-loved Pawscars gala, where pets are truly the stars in our hearts and minds. WVHS's Pawscars Awards Gala will be held on Saturday, September 23 at the Wenatchee Convention Center.

This Oscars-style gala will feature a red-carpet runway, photo booth, complimentary champagne toast, and a sit-down four-course dinner along with silent and live auction items. Five community members will be recognized for their selfless service to the Humane Society over the years. It is the largest fundraiser for the Humane Society and a fun way to support thousands of animals in the region.

For sponsorships and auction items, please contact Pamela Nelle, Development Director, pnelle@wenatcheehumane.org, (509) 662 9577 ext. 421.
